Logo & Event Theme Presentation

Please note that the presentation represents the *first phase* of the primary logo, icon, and theme concept for the Recycling and Upcycling Fest 2025.

Upon approval of this phase by the GCRU Project team and UNDP, we will move forward to the *final phase*, which will include a complete event identity package, usage guidelines, and adaptable applications for print, digital, signage, merchandise, and social media assets.

Logo Overview

- The RU Fest 2025 logo symbolizes sustainability, innovation, and community engagement.
- Every design element supports the goals of the GCRU project.

Pokhara Event Center, Kaski

Typography:
RU

- The bold uppercase letters 'R' and 'U' stand for Recycling and Upcycling.
- Strong, geometric forms represent structure, leadership, and clarity.

RU

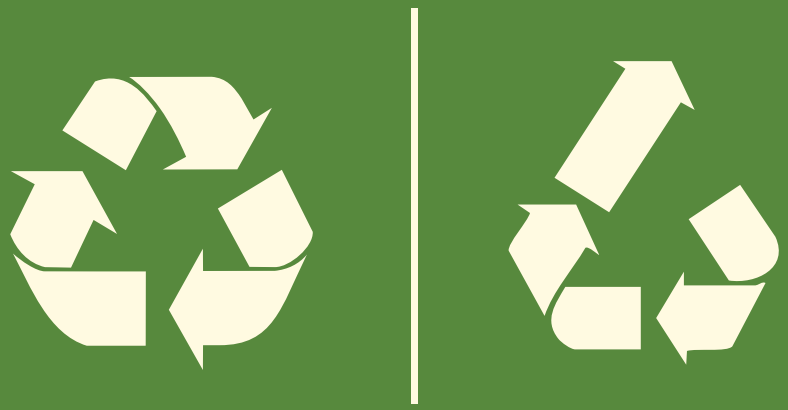
Typography:
Fest

- The lowercase, friendly 'fest' balances formality with festivity.
- It reflects a community-focused and inclusive celebration.

fest

Iconography in RU

- Recycling symbols are embedded inside the 'R' and 'U'.
- This shows that recycling and upcycling are at the core of the festival.



Leaf in 'e'

- A leaf inside the letter 'e' of 'fest' symbolizes growth, life, and nature.
- It brings warmth, environmental commitment, and optimism.

Color Palette

- Primary Green: Represents eco-awareness and sustainability.
- Background Beige: Gives a natural, organic feel and enhances clarity.

Logo Variations

To ensure consistent, flexible, and context-appropriate branding across all media, the RU Fest 2025 identity has been designed with multiple logo variations. Each variation maintains the core integrity of the brand while adapting to specific formats and usage environments.
